Visa collects personal information ("PI") in order to conduct its business and may, for this purpose, disclose such PI to third parties, including but not limited to agents, contractors, service providers, and, as required, to Australian regulatory authorities.

Participation in the Visa Small Business Directory and Visa Ad Boost Program is conditional on providing this PI.

Visa will also use and handle PI as set out in its Privacy Policy, which can be viewed at <https://www.visa.com.au/legal/privacy-policy.html>.

In addition to any use that may be outlined in Visa's Privacy Policy, Visa may, for an indefinite period, unless otherwise advised, use the PI for promotional, marketing, publicity, research and profiling purposes, including sending electronic messages or telephoning the participant.

The Privacy Policy also contains information about how participants may opt out, access, update or correct their PI, how participants may complain about a breach of the Australian privacy laws or any other applicable law and how those complaints will be dealt with.

All applications become the property of Visa. Visa will not disclose participants' PI to any entity outside of Australia.
